B.7.1 The successful bidder will be requested to execute the Contract and bonds in no less than two (2) counterparts.

B.8 Qualifications of Bidder

B.8.1 The Borough may make such investigations as he deems necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the Borough all such information and data for this purpose as the Borough may request. The Borough reserves the right to reject any bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Borough that such Bidder is properly qualified to carry out the obligations of the Contract and to complete the work contemplated therein within the time of completion.

B.8.2 Bidders may be required to submit two original sworn statements of their financial responsibility, technical qualifications and performance record before contracts can be awarded to them. In order that there may be no delay in the making of awards, Bidders shall be prepared to submit such statements promptly upon request.

B.9.1 If Bidder is awarded a Contract, he shall commence work after a written Notice to Proceed is issued by the Borough. Notice to Proceed shall be issued by the Borough after the receipt of all fully executed bid documents and necessary insurances. The Bidders submitting such requests will be responsible for prompt delivery. Any interpretation of the proposed documents will be made only by an addendum duly issued, and a copy of such addendum will be mailed or delivered to each prospective bidder who has appropriately obtained a set of such documents in the manner prescribed in the Advertisement. The Borough will not be responsible for any other explanation or interpretation of the Contract Documents. Failure of any Bidder to receive any such Addenda or interpretation shall not relieve such Bidder from any obligation under his bid as submitted.

B.12 Telegraphic Modification

B.12.1 Any Bidder may modify his bid by telegraphic communication at any time prior to the scheduled closing time for receipt of bids, provided such telegraphic communication is received by the Borough prior to the closing time. The telegraphic communication shall not reveal the bid price, but should provide the addition or subtraction or other modifications so that the final prices or terms will not be known by the Borough until the sealed bid is opened. If written confirmation of the contents of the telegram is not received by the Borough within two (2) days from the closing time, consideration will not be given to the telegraphic communication.

B.13 Right To Reject

NONDISCRIMINATION CLAUSE

During the term of this contract, Contractor agrees as follows:

1. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, ancestry, national origin, age, or sex. Contractor shall take affirmative action to insure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
2. Contractor shall, in advertisements or requests for employment placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, handicap, ancestry, national origin, age, or sex.
3. Contractor shall send each labor union or workers' representative with which it has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source of recruitment regularly utilized by Contractor.
4. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that Contractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in deterring appropriate sanctions.
5. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Contractor will be unable to meet its obligations under this nondiscrimination clause, Contractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.
6. Contractor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Contractor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and Contractor may be declared temporarily ineligible for further Borough contracts, and other sanctions may be imposed and remedies invoked.
7. Contractor shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by the contracting agency for purposes of investigation to ascertain compliance with the provisions of this clause. If Contractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting agency.
8. Contractor shall actively recruit minority and women subcontractors or subcontractors with substantial minority representation among their employees.
9. Contractor shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each Subcontractor.
10. Contractor obligations under this clause are limited to the Contractor's facilities within Pennsylvania or, where the contract is for purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.

NOW, THEREFORE, THE CONDITIONS OF THIS OBLIGATION IS SUCH that, if the Principal and all subcontractors to whom any portion of the work provided for in said contract is sublet and all assignees of said Principal and of such subcontractors shall properly make payment for all labor performed, services rendered and materials furnished in the prosecution of the work provided for in said contract, or in any amendment or extension of or addition to said contract, then the above obligation shall be void; otherwise to remain in force and effect; provided, however, that this bond is subject to the following conditions and limitation.

(a) All persons who have performed labor, rendered services or furnished materials, the same being also construed to include that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental of equipment directly applicable to the Contract, equipment or machinery as aforesaid who have not been paid in full before the expiration of a period of ninety (90) days after date on which the last of such claimants' work or labor was performed, or materials were furnished, shall have a direct right of action against the Principal and Surety on this bond, which right of action shall be asserted in proceedings instituted in the state in which such labor was performed, services rendered, or material furnished (or where labor has been performed, services rendered, or materials furnished under said Contract in more than one state, then in any such state). Insofar as permitted by laws of such state, such right of action shall be asserted in a proceeding instituted in the name of the Borough to the use and benefit of the person instituting such action and of all other persons having claims hereunder, and any other persons having a claim hereunder, shall have the right to be made a party to such proceeding (but not later than two years after the complete performance of said Contract and final settlement thereof) and to have such claim adjudicated in such action and judgement rendered thereon.

(b) The Surety shall not be liable hereunder for any damages or compensation recoverable under any workmen's compensation or employer's liability statute.

(c) In no event shall the Surety be liable for a greater sum than the penalty of this bond, or subject to any suit, action or proceeding thereon that it instituted later than two years after the complete performance of said contract and final settlement thereof.

(d) As used herein: The term "person" refers to any person, firm or corporation who has furnished materials or machinery to be used on or incorporated in the work or the prosecution thereof provided for in said

contract or in any amendment or extension of or addition to said contract, and/or to any person engaged in the prosecution of the work provided for in said contract, or in any amendment or extension of or addition to said contract, who is an agent, servant or employee of the Principal, or of any Subcontractor, and also anyone so engaged who performs the work of a laborer or of a mechanic regardless of any contractual relationship between the Principal or any Subcontractor, or any assignee of said Principal, or of said Subcontractor, and such laborer or mechanic, but shall not include office employees not regularly stationed at the site of the work.

The said Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of this Contract or to the work to be performed thereunder or the specifications accompanying the same shall in any way effect its obligation on this Bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Contract or the work or to the specifications.
