Manager's Corner

Welcome to 2010.

To the Citizens of Zelienople Borough:

Let me wish you all a Happy and Healthy New Year. Much good has happened in 2009 in Zelienople Borough and 2010 seems to be headed in the same direction. I have prepared the 2010 Budget Message and a copy of it is on our webpage. I encourage you all to take a few minutes to read it and if you have any questions, please give me a call at the Borough Office.

I have also taken the step to hand deliver the message to each household and business in the Borough so that you will have it. Included in that packet are three other important items. 1) Notice of a public meeting on January 18, 2010 regarding progress and information relating to our water system; 2) Information concerning alarm systems and the permit required for them in the Borough and lastly the important Emergency Notification System that we are putting in place to better inform our citizens of any emergency situation in the Borough. Please read these items and respond so that we can assist you in any way we can regarding these issues.

I am looking forward to 2010 and what it can bring to the Borough's citizens. We very much want to improve our communication with you and will be working toward ways to accomplish that task. Keep your eyes open for the beginning of a **Newsletter, Welcome Package** and a **New Community Map** that will be heading your way this year.

As always, if there are any questions, or the need for assistance, please call our office and we will do all we can to help. In the meantime, enjoy the New Year and we hope it is a good one for you and your family.

Sincerely,

Donald C. Pepe
Borough Manager
