Old Business

Burton Manor Developers Agreement

Council President Underwood noted that the reason for this continued meeting was to review the proposed Burton Manor developer's agreement in detail with our attorneys. This is important so that Council is well aware of the contents in order for it to be able to decide upon the agreement at their next Council meeting scheduled for June 9, 2008.

Our Solicitor reviewed the agreement in detail with Council and staff. The public also had the opportunity to ask questions concerning the terms of the agreement and how it would be implemented by the Borough.

Council and staff had the opportunity to address all their issues and ask all of their questions. It was noted that it is Council's intention to consider this document at their June 9, 2008 regular meeting and hoped that the developer will have already signed the document prior to that date.

ADJOURNMENT

Being no further business, the meeting was adjourned at 8:47 PM by President Underwood.
